| <b>Directions for use</b>              | After cleansing and toning, apply gently around the eye and facial area. Suitable and beneficial to use around the lips.   |
| <b>Packaging</b>                       | 50ml Jar with white screw cap lid and shive.   |
| <b>Safety, Storage &amp; First Aid</b> | In the unlikely event of rashes or skin reactions occurring, stop using. Do not store in direct sunlight and keep out of reach of small children.  |

### NOTES :

NATURCARE Eye & Facial serum is a complimentary product that supplements routine skin care. While all age groups will benefit from regular use, it will specifically address the needs of maturing or damaged skin.

With age, the body's system no longer functions at peak efficiency, the metabolism of the epidermis slows down and the skin becomes thinner and drier. Hormonal factors and menopausal changes also cause a decline in the skin, which needs extra care. The Eye & Facial Serum is on the high end of feeding and should be applied regularly to counteract these inevitable changes.
