

PRODUCT DATA SHEET

ALOE LIP COLOUR

SEMI-PERMANENT LIP COLOUR

Aloe Lip Colour	NaturCare Aloe Lip Colours are semi-permanent Lipsticks that change to varying shades of red and pink, depending on the pH Balance of the skin. The Yellow usually suits lighter complexions and Green usually darker complexions. However, this could also vary according to personal preferences. They contain Aloe, skin conditioning and moisturising ingredients.
Properties	<ul style="list-style-type: none"> • Unique, colour adjusting formulation • Semi-permanent, slight gloss • Long lasting, minimal applications are required • Contains Aloe, protects and softens the lips • Moisturising and none drying • Skin Conditioning ingredients

Notes:

NaturCare launched the amazing colour-changing, semi-permanent Lipsticks almost three decades ago. The unique formulation, that also includes Aloe, Skin Conditioning and Moisturising ingredients, makes this an extremely popular Lipstick. Because it is a semi-permanent Lipstick, only minimal applications are required.
