CREAM CLEANSER

DESCRIPTION	Removes deeply embedded impurities, grime, make-up, bacteria and secretions. Effectively lifts and removes dead cells, while not disturbing the skin's natural protective layer. Will not dry out the skin and is suitable for sensitive and young skins. Cleansing is performed thoroughly and scrubs or exfoliators are not necessary. The skin will be correctly prepared for absorbing moisturising and nourishing ingredients. Suitable for use on the face and entire neck area. pH Balanced
BENEFITS	<ul style="list-style-type: none">• Will not dry out the skin• Suitable for sensitive and young skins• Prepares the skin to absorb moisturising & nourishing ingredients• Gently lifts and removes dead cells on the face and neck• Non-foaming• pH Balanced

PACKAGING	200ml White Bottle with Dispensing Pump
STORAGE & SAFETY	It is safe to use. In the unlikely event of rashes or skin reactions occurring, stop using. Do not store in direct sunlight and keep out of reach of children.
NOTES	Regular facial scrubs and exfoliators contain ingredients such ground almonds, apricot shells, aluminium oxide crystals and other sharp particles that <i>slice</i> rough cells off the face. This action can leave microscopic scratches and even damage the skin's natural protective mantle. Often these products do not contain repairing or protective ingredients and the skin is left dry, exposed and extremely vulnerable. NATURCARE have opted for a modern approach and have incorporated lemon peel extract, clarifying, refining and massaging ingredients that will gently lift dead cells off the face and neck. Replace the need for scrubs, exfoliators, skin polishes & peels!
