

PRODUCT DATA SHEET

HYDRATING GEL

Description	High-end moisture boosting gel developed to effectively rehydrate and soothe dry or damaged skin. Oil free, rich in humectants that are suitable for sensitive and younger skins. Helps to combat the effects of irritated, itchy, scaly or any skin flare-up. Apply after cleansing. Can be used as a daily routine on the face and on the entire body. Absorbs rapidly without any oily after-feel.
Benefits	<ul style="list-style-type: none"> • Boosts and contains moisture • Rapid absorption • Suitable for sensitive and young skins • No oily after-feel • Combats effects of irritated skin • Use on the entire body
Fragrance	Light, fresh with undertone of Witch Hazel
Main Active Ingredients	Aloe Gel, Allantoin, Witch Hazel, Glycerin, Sorbitol, Chamomile, Propylene Glycol
Appearance	A smooth, slightly opaque golden gel
Directions for use	Using the dispensing pump, apply the Hydrating Gel directly onto clean hands and apply onto the face, forehead, neck and body as required. Gently smooth the gel in an upward and outward motion. Will absorb rapidly, leaving a slight tingly, refreshing sensation.
Packaging	200ml Clear Bottle with dispensing pump.
Safety, Storage & First Aid	It is safe to use. In the unlikely event of rashes or skin reactions occurring, stop using. Do not store in direct sunlight and keep out of reach of small children.

There are a number of factors which can trigger a dehydrated and irritated skin which can also result in flare-ups e.g. soap, lotions, detergents, food, fragrances, airborne allergens, dust mites or stress. Even a change in seasons can result in spots and rashes on the face or body, causing scaly dry patches and incredible itching of the skin.
